

Attention: Notice to NCR website visitors

Dennis Coday | Feb. 24, 2009

NCR has upgraded its Web site. Although all efforts were made to perform this upgrade seamlessly, technology being what it is, there could be possible glitches, including minor disruptions in service. The result of the upgrade will be a faster and more effective website. Thanks for your patience. -- The Editors

If you have questions or concerns, please send an e-mail to NCR online editor Dennis Coday at dcoday@ncronline.org.
