

Pope 2 U goes live

Thomas C. Fox | May. 23, 2009 NCR Today

The Vatican goes live on Pope2You.net [1] as new phase of evangelization effort. Spread the Word over the Internet, [pope tells youth](#) [2]. You can listen to the pope, watch the pope deliver his World Communications Day message - or simply read what he has to say.

In his own words...

....Be sure to announce the Gospel to your contemporaries with enthusiasm. You know their fears and their hopes, their aspirations and their disappointments: the greatest gift you can give to them is to share with them the "Good News" of a God who became man, who suffered, died and rose again to save all people. Human hearts are yearning for a world where love endures, where gifts are shared, where unity is built, where freedom finds meaning in truth, and where identity is found in respectful communion. Our faith can respond to these expectations: may you become its heralds! The Pope accompanies you with his prayers and his blessing...
