

Former dictator Rìos Montt appeared in court

Zoe Ryan | Jan. 26, 2012 NCR Today

From BBC News:

"Former Guatemalan military leader Efraín Ríos Montt has appeared before a court which will decide if he should face charges of genocide.

"Gen Ríos Montt, 85, was in power from 1982-1983, when some of the worst atrocities of Guatemala's long civil war were committed."
