

The D'Souza Scandal

Michael Sean Winters | Oct. 19, 2012 Distinctly Catholic

[Amy Sullivan, at The New Republic](#) [1], details the story behind the scandal that engulfed King's College President Dinesh D'Souza, known as well for his vile anti-Obama rantings and film-making. At the heart of the story is a rivalry between D'Souza and Marvin Olasky. Truly no one would want to spend too much time with either man.

Sometimes, the personal politics within the Catholic Church can get petty. But, rarely does it get as ugly as this.
