

New link to the Sisters of Mercy voters' guide

Porsia Tunzi | Oct. 22, 2012 NCR Today

Last week, I posted a blog [1]about a 2012 voters? guide the Sisters of Mercy created.

Within the blog was a link to their website. Unfortunately, the website was down over the weekend and the previous link no longer works.

The guide can now be viewed at a different link [2].

NCR apologizes for any inconvenience this has caused you. Thank you for reading.
