

Africa Faith & Justice Network Anniversary

Michael Sean Winters | Jan. 30, 2013 | Distinctly Catholic

The Africa Faith & Justice Network will be celebrating its 30th anniversary this year and to mark the occasion, they are having a big event at the University of Notre Dame at the beginning of March, with Cardinal Peter Turkson, President of the Pontifical Council for Justice and Peace giving the keynote. I wrote about this group in the print edition of NCR [here](#) [1]. I really can't think of a Catholic organization that does more good for the poorest of the poor with fewer resources, and which demonstrates by word and deed the catholicity of the universal Church. You can find out more about the anniversary conference by clicking [here](#) [1].
