

Talking about drones

Dennis Coday | Feb. 7, 2013 NCR Today

Global Post takes a close look at drones this morning:

John Brennan, [noted drone enthusiast](#) [1] and President Barack Obama's nominee for the next head of the CIA, can't avoid the topic at his Senate confirmation hearing today. And it's not just him: after [a leaked memo](#) [2] (now to [be handed over to Congress](#) [3]) justifying the US government's death strikes and the exposure of a [secret CIA drone base in Saudi Arabia](#) [4], unmanned aerial vehicles are on everyone's mind.

Did you see Tom Roberts report on drones: [The ?irresistible attractions? of drones.](#) [5]
