

Is Capitalism Moral?

Michael Sean Winters | Mar. 19, 2013 | Distinctly Catholic

You are accustomed to that question being asked here at Distinctly Catholic, but I was delighted to see the same question asked on the front page of this week's Outlook section of the Washington Post in [an essay by Steven Pearlstein](#) [1]. The money quote (pun intended): "At this point, the markets' uneven distribution of income has become so dramatic that it threatens to overwhelm the ability of a progressive tax-and-transfer system to keep up with it."
