

Profiles in Cowardice

Michael Sean Winters | Apr. 19, 2013 Distinctly Catholic

[Over at Politico](#) [1], Anna Palmer and John Bresnahan on "How the NRA won." It is clear that the key senators whose votes will need to shift come from states that are culturally conservative and/or largely rural. Here is where the churches must come in. If the country is ever to get progress on gun control, the faith community will need to galvanize an alternative narrative from that be put forward by the NRA.
