

Pacem in terris at 50: The Video

My colleague Jerry Filteau already reported on the conference at Catholic University to commemorate the 50th anniversary of Blessed Pope John XXIII's encyclical *Pacem in terris*. At the conference, Dennis Sadowski and Chaz Muth interviewed some of the key speakers and, afterwards, produced this great, short video on the significance of *Pacem*. It will take less than four minutes of your time and is well worth watching.
