

CNA: Thanks, But No Thanks

Michael Sean Winters | May. 6, 2013 | Distinctly Catholic

[The Catholic News Agency has an article by Mary Hasson](#) [1] that features yours truly and Melinda Henneberger on the subject of the Gosnell trial, President Obama, and the politics of abortion. Hasson writes that I am "soul searching" and that Henneberger and I are "rather reluctant combatants." I am not soul searching on the issue of abortion. I am not reluctant to address the issue. More on this tomorrow.
