

Who supports same-sex marriage?

Michael Sean Winters | May. 17, 2013 | Distinctly Catholic

Robert Jones and Daniel Cox write over [at Monkey Cage](#) [1] on the changing composition of those who support same-sex marriage. Jones and Cox are two of the best researchers on the attitudes of believers in the business, and they continually ask questions that do not seem to occur to other polling outfits but are critical to understanding how Americans view contentious issues.
