

The NRA & Planned Parenthood

Michael Sean Winters | May. 29, 2013 | Distinctly Catholic

[Over at Religion & Politics](#), [1] Fordham's Michael Peppard has a smart, tough piece comparing the recent political activities of the National Rifle Association and Planned Parenthood. "[T]hey do share a troubling characteristic. Both reject reasonable limitations on the particular liberty for which they advocate. In so doing, they disregard the well-regulated liberties that vast majorities of our country desire," Peppard opens and proceeds to make the case. Good stuff.
