

Speaking of Racial Demagoguery

Michael Sean Winters | Jul. 17, 2013 Distinctly Catholic

[Over at The New Republic](#) [1], John McWhorter takes on the kind of racial demagoguery we have seen in the wake of the George Zimmerman trial from Al Sharpton. McWhorter has been the most thoughtful commentator on the racial aspects of the case in his many public appearances to discuss the trial. I have never liked nor trusted Sharpton for reasons McWhorter explains better than I could.
