

Cardinal Burke Still At It

Michael Sean Winters | Sep. 26, 2013 Distinctly Catholic

[This interview with Cardinal Raymond Burke](#), [1] published at the Wanderer, makes for painful reading. It would be difficult to find someone whose words are less like those we cherished in Papa Francesco's interview. The G-8 cardinals are gathering in Rome this weekend for their meetings next week with the Holy Father. I am not privy to their agenda. But, I humbly suggest that at the top of that agenda they recommend a muzzle for this Prince of the Church.
