[Over at RightWingWatch](#), [1]our friends at People for the American Way captured a radio interview in which Pastor Kevin Swanson warns darkly:

The individualism of feminism has been devastating to this country. I'd say you ought to say no to the Girl Scout cookies too. I don't want to support lesbianism, I don't want to support Planned Parenthood, and I don't want to support abortion, and if that be the case I'm not buying Girl Scout cookies.

Who knew?
