

Pope's quotes: Be a protector

NCR Staff | Mar. 12, 2014 The Francis Chronicles

A quote from Pope Francis:

“Please, I would like to ask all those who have positions of responsibility in economic, political and social life, and all men and women of goodwill: let us be ‘protectors’ of creation, protectors of God’s plan inscribed in nature, protectors of one another and the environment. Let us not allow omens of destruction and death to accompany the advance of this world! But to be ‘protectors,’ we also have to keep watch over ourselves! Let us not forget that hatred, envy and pride defile our lives! Being protectors, then, also means keeping watch over our emotions, over our hearts, because they are the seat of good and evil intentions: intentions that build up and tear down! We must not be afraid of goodness or even tenderness!”
