

Pope's quotes: Being a witness

NCR Staff | Apr. 2, 2014 The Francis Chronicles

A quote from Pope Francis:

?We know how much violence has resulted in recent times from the attempt to eliminate God and the divine from the horizon of humanity, and we are aware of the importance of witnessing in our societies to that primordial openness to transcendence which lies deep within the human heart. In this, we also sense our closeness to all those men and women who, although not identifying themselves as followers of any religious tradition, are nonetheless searching for truth, goodness and beauty, the truth, goodness and beauty of God. They are our valued allies in the commitment to defending human dignity, in building a peaceful coexistence between peoples and in safeguarding and caring for creation.?
