

## **Hannity Hearts Racist Bigot**

Michael Sean Winters | May. 2, 2012 Distinctly Catholic

I know, you're probably thinking - dog bites man. But even I was shocked to find <u>Sean Hannity hosting Geert Wilders</u> [1]- and promoting his book - on his Fox News show last night. Wilders is the Dutch nativist who believes Islam is at war with the West - not, some Islamicists, mind you, but Islam per se.

This man is beneath contempt, a bigot pure and simple. Why anyone would want to highlight his work or his person is beyond me. But, then, I am not a Fox News programmer.
